Our programs strive to meet the varying needs of our international student population as it takes into consideration their purposes for studying English. Instruction is highly individualized to meet learner goals, and group work is integrated for maximum relevance to students. Language points are presented by the instructor, followed by student practice and production of material covered. Instruction includes review of materials to determine student readiness to progress to additional skills.

Intensive Beginning English Program

*The Intensive Beginning English Program introduces basic English grammar with the objective to establish a strong foundation for spoken and written English in order to accomplish the goals set forth in the CEFR beginning level descriptors (see page 7). Everyday language and situations are used to practice and establish good usage in full sentences with subject-verb agreement, basic verbs, present and past tense, count-able and non-countable nouns, definite and indefinite articles, Wh-questions, modals, comparatives and time expressions. Skills in reading, writing and vocabulary are practiced through short, simple reading passages that cover a variety of engaging themes and topics. Students practice finding main point, supporting reasons, and examples in reading passages; they practice making inferences and drawing conclusions; they respond by writing their own thoughts in short sentences and paragraphs, working toward writing fluently. Students will begin developing communicative competence in English by studying and practicing specific structures, vocabulary, and communicative functions in a variety of topics. To reach these goals, students participate in listening drills and oral practice with classmates and their instructor. Focused vocabulary development and pronunciation work supplement these core conversation functions. Stress and intonation are taught so that the students can practice modeling native speech. **Prerequisite: None***

Intensive Intermediate English Program

Low Intermediate Level

*Students in this level of the Intensive Intermediate English Program continue to build their everyday English foundation with the objective of increasing their skill and confidence in speaking and simple writing in order to accomplish the goals set forth in the CEFR low intermediate level descriptors (see page 7). The following grammar topics are covered: verb tense review, possessive adjectives and time expressions, present perfect tense, since/ for, gerunds and infinitives, separable and inseparable verbs, and connectors, modal verbs, conditional, passive voice, reported speech, and tag questions. Students develop their reading and writing skills by participating in assignments that cover a variety of themes and topics, such as, Internet social networking, art, small businesses, and family matters. In each unit, students read passages from different points of view on a topic and compare them. Students are guided to use certain points in writing style and grammar to write their own thoughts on the same topic, including paragraphs, personal letters, space and time order, comparison, and expressing an opinion; furthermore, they practice common verb tense forms, pronouns, and questions. Students continue developing communicative competence in English by studying and practicing specific structures, vocabulary, and communicative functions in a variety of topics. To achieve this, students do role playing, group and pair work, listening comprehension drills, and speak in response to reading material. Focused vocabulary development and pronunciation work to supplement these core conversation functions. Stress and intonation are taught so that the students can practice modeling native speech. **Prerequisite: Beginning***

Intermediate Level

Students in this level of the Intensive Intermediate English Program practice more complicated and varied situations using more complex sentences with the objective of deepening their understanding of the language in order to better communicate with those around them in everyday situations in order to accomplish the goals

Emphasis is on practicing more verb tenses, modals and similar expressions, pronouns and phrasal verbs, modal verbs, since/for, already/yet, imperative, nouns and quantifiers, definite and indefinite articles, gerunds and infinitive, comparisons, practice countable and non-countable nouns with the correct usage of "a/an" and "the," extensively explore the functions of gerunds and infinitives, practice phrasal verbs, review progressive and simple tenses in the present, past and present perfect, and review and expand their knowledge of adjectives and adverbs, and learn about modals and related verbs and expressions.

Students further develop their communication in English through assignments in a variety of engaging themes and topics, such as sports, history, literature and the arts. Students read and compare passages from different points of view on a topic. Students consider grammar and style and write their own thoughts on the topic. They solidify their understanding of verb tenses, including passive verbs and when to use them; phrasal verbs and modal verbs, conditional, including factual conditionals and unreal conditionals. Students develop analytical skills while continuing to build language competence through the study of intellectually challenging reading and writing exercises structured around stimulating themes, e.g. television and movies, finance, literature, the arts and architecture. Additionally, students will produce writing through the process of generating ideas, organizing and drafting content, revising, and editing for grammar and mechanics.

Through more challenging recordings on diverse themes and topics that stimulate critical thinking, including the media, personal obstacles, employment, interviewing, and humor, students expand their listening skills for formal and informal discourse. E. STUDENT TUITION RECOVERY FUND (STRF)

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.

F. SCHOOL POLICIES

1. Admission Policy

Application Requirements for ALL Programs

- a. Submit an application
- b. Pay application fee + all required start fees
- c. Submit all required paperwork to the Admissions Department

Admissions Criteria and Procedures

A F International accepts students with a high school diploma, General Education Development (GED) or Applicants who have passed the California High School Proficiency Examination (CHSPE). Applicants with a high school diploma, GED or CHSPE should have reached the compulsory age to be accepted by A F International. The compulsory age is 16 years old and above as defined by the State of California Department of Education.

This school does not accept ability-to-benefit students; students must have completed high school in their home country. **Applicants must have knowledge of basic English language skills as measured by the placement test given. Applicants must score well enough to test into our beginners' class in order to show basic language proficiency to be considered for admissions.**

All applicants must complete the application form and submit it along with applicable fees and a photo Identification (ID) online, in person, or by mail to A F International, P.O. Box 6223, Thousand Oaks, CA 91359-6223. An acceptable form of ID is a passport, or any U.S. state issued driver's license or identification card.

For students wishing to attend the school as International F-1 students, the Financial Certification Form is required showing ability to pay for education and living expenses of the student and the living expenses of spouse or children, if any, traveling with F-2 (dependent of student) visas. For each session in the ESL 72 hour program, the estimated total expense is \$2,507.80 (which is the sum of tuition \$1432.80, books \$75, and living expense \$1000) for the student and \$1000 (living expense) per dependent.

For an F-1 initial, an F-1 initial Change of Status, or a reinstating student, the Financial Certification fund for the student must cover at least six (6) sessions of the estimated total expense for acceptance. For an F-1 transfer student, released in status, the Certification fund must cover at least 2 sessions of his/her studies at A F International for acceptance. For the transfer student, the Certification fund can be a combination of two or more bank statements illustrating that the amount of money being deposited to the account is sufficient to pay for the tuition of 2 sessions or greater. In such a case, a letter from the student explaining the source of the money is required. Acceptable forms of financial documentation are:

- a personal bank statement,
- an affidavit of support from a sponsor/parent with a bank statement stating the responsibility for the student's expenses,
- a letter guaranteeing financial support from the student's employer, and
- a scholarship letter from the student's government or other organizations.

In addition, depending on their situation, applicants must follow one of the following procedures:

Applying for a Student Visa outside the U.S. (Initial) - Upon obtaining a Form I-20, the student must pay the SEVIS I-901 fee prior to applying for an F-1 visa. Please visit <http://www.fmjfee.com> for details. The student must then have a visa interview with the local U.S. consulate for an F-1 Visa. For the interview, the student must bring the following:

SEVIS Form I-20, evidence of the SEVIS I-901 fee payment, a signed passport which must be valid for at least six months, a completed Form DS-160, Completed Financial Certification.

A F International vouches for student status. We do not provide visa service, travel document or passport services.

Transferring with an F-1 visa - The student who already has a non-immigrant F-1 visa and wishes to attend A F International must complete the Notice of Intention to Transfer-In form, which states the student's intention to transfer and confirms acceptance to A F International. A F International will fax or mail this form to the school the student is transferring from. However, it is the responsibility of the student to ensure the release of the student's Form I-20 to A F International by communicating to the Designated School Official (DSO) of the exiting school. Upon the release of the student's record to A F International in SEVIS, A F International will prepare the Form I-20 for the student. The student should check with the office for the hard copy of Form I-20.

Changing Status to F-1 in the U.S. (Initial - Change of Status) – Upon obtaining a Form I-20, the student must file a Form I-539 (available online at <http://www.uscis.gov/files/form/i-539.pdf>) with USCIS to change from the student's current non-immigrant status to an F-1 status. The payment of SEVIS I-901 fee is also required.

Transfer Policy for Change of Status Candidates: If you are using an I-20 issued by A F International College in your change of status request, you must either: Take part time classes while your change of status request is being processed OR attend 5 sessions of classes.

If the student chooses to transfer before attending 5 sessions of classes, the school requires an early transfer fee that is equivalent to 5 sessions of tuition

Classes Schedule—A F International does not guarantee registration to the classes offered due to the maximum number of students allowed by the school. The registration is based on first come first serve.

Skipping a Level— A student may skip a level if the student provides the minimum score requirement of an iBT TOEFL or an equivalent test provided by the school.

Cancellation of Classes: A F International reserves the right to cancel classes on short notice due to insufficient demand, and place the student in appropriate level courses, which may be fewer hours and/or different classes. F-1 students are not relieved from registration requirement as a full-time student regardless of the reason.

2. Attendance Policy, Probation and Dismissal

Students will be placed on probation for “poor attendance,” if their cumulative attendance per session falls below 80%. The student receives an attendance probation notice with the third absence. At the fourth absence, the student is dismissed for “Failure to attend”. An F-1 visa student will be terminated in SEVIS for poor

academic performance. The student is marked as tardy should he/she miss more than 15 minutes but less than 50% of the scheduled class time due to late arrival or early departure. Three tardies are equivalent to one absence. If the student has an official doctor's note, we will reconsider the student slated to be terminated for "poor attendance" instead.

3. Academic Progress and Grading Policy

For most courses, the final grade for the course is determined by the weighted letter grades of the student's participation, homework assignments, weekly quizzes and finals.

The following grades are used to report the quality of a student's work:

Grade	Percentage	Grade Points	Letter Grade		Descriptors
A	(90-100%)	4.0	Excellent	Move to next level	All expectations are met or exceeded; explicitly demonstrates thorough understanding; no substantive shortcomings or only minor shortcomings. Writing is well organized; adheres to rules of grammar, spelling, and syntax with no or very few exceptions
B	(80-89%)	3.0	Good	Move to next level	Most or all expectations are met; explicitly or implicitly demonstrates good, if not thorough, understanding; only minor substantive shortcomings; writing is generally well organized; mostly adheres to rules of grammar, spelling, and syntax
C	(75-79%)	2.5	Satisfactory	Move to next level	Satisfactory quality. Directions are followed, most expectations are met but with at least one significant shortcoming; despite any shortcomings, demonstrates basic level of understanding; writing is organized well enough and with enough technical accuracy to be understandable
C-	(70-74%)	2.0	Insufficient	Repeat level	Insufficient understanding. Directions are only partially followed; more than one significant shortcoming; deficiencies indicate only the most rudimentary level of understanding; and/or writing is difficult or impossible to understand
D	(60-69%)	1.0	Unsatisfactory	Repeat level	Unsatisfactory performance; directions are not followed; many significant shortcomings; deficiencies indicate almost no understanding; writing is impossible to understand

F	(0-59%)	0	Fail	Repeat level	Failing by not completing assignment or not following directions; deficiencies indicate lack of understanding; and/or incoherent writing
---	---------	---	------	--------------	--

A student who withdraws from a course will receive the symbol “W” (Withdrawal) for the course, which has no impact on the GPA.

Completion of assignments and weekly quizzes

Assignments and weekly quizzes will cover material discussed in class. Students are expected to participate in class discussions and submit completed homework assignments on time. Please come to class prepared.

Exams

A mid-level exam will be given at the midpoint of the level, and a final exam will be given at the completion of the level. Both exams will be followed by teacher-student-conferences. In-class preparation and review materials will be provided prior to the final exam.

Grades are calculated as follows:

Midlevel and Final Tests	40%
Weekly Quizzes	40%
Assignments	20%

GPA (Grade Point Average): A minimum of 2.5 cumulative GPA must be maintained. Failure to maintain the minimum will put the student on academic probation.

To advance to the next level, students must reach a GPA of 75%, or a letter grade C. A student will be placed on academic probation if s/he fails to receive a passing grade of seventy (75% or a C grade) in any class at the end of the quarter. The student will be sent a written notification of his /her academic probation status, and her/his student record will reflect that s/he is on academic probation. Being on academic probation means that the student will be required to retake the same class level that s/he failed to pass in the subsequent quarter. If the student passes the class in the next quarter, s/he will no longer be on academic probation. If s/he fails again, s/he will be suspended from the school.

Maximum Course Repeats: Students may repeat a course only twice. However, students may repeat the TOEFL iBT preparation class three times to refine their skills to be better prepared for higher education and reach their desired TOEFL score.

4. Leave of Absence Policy

To be approved for a vacation, the student must be in status and have paid his tuition. A student is permitted a vacation once per year after successfully completing 12 months of instruction. The vacation may be up to a maximum of 13 weeks duration and the student must return to this institution to continue their studies. For students who are enrolled for shorter periods, it is recommended that they take their vacation after they have completed their studies.

F-1 Students who are in status and have completed their studies may remain in the United States legally for up to 60 days after completing their studies. For students wishing to take a break by leaving the country- they must be in status and have their tuition paid. They must provide an explanation as to why they are required to return home and a copy of their airline ticket. A student, if approved, must return within five months. If the student

fails to meet this deadline, they will have to reapply for a student visa. Breaks in school are permitted on a case by case basis. Breaks in school in the United States are permitted for medical and emergency reason only. These breaks must be documented with either a doctor's letter or other acceptable evidence of the emergency. These are approved on a case by case basis.

M. REFUND AND CANCELLATION POLICY- STUDENT'S RIGHT TO CANCEL

The Student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance on the first day of class, or the seventh (7th) day after enrollment, whichever is later. Cancellation occurs when the student gives written notice of cancellation to the Director, at the address of the School, shown on this agreement. The Student can also mail, hand deliver, fax or telegram the cancellation. The written notice of cancellation is effective when deposited in the mail, addressed to **A F International, P.O. Box 6223, Thousand Oaks, CA 91359-6223**.

Withdrawal from Course

Students are obligated to pay for educational services rendered (including fees associated with those services), and for unreturned books, materials or equipment. Cancellation occurs when the student gives written notice of cancellation to the Director, at the address of the School, shown on this agreement. The Student can also mail, hand deliver, fax or telegram the cancellation. The written notice of cancellation is effective when deposited in the mail, addressed to **A F International, P.O. Box 6223, Thousand Oaks, CA 91359-6223**.

1. If you cancel your course prior to the first day of class or before the seventh day of enrollment, you will receive a full refund of all tuition charges minus your \$200 registration fee or any other non-refundable fees (e.g. SEVIS, express mail, etc.). A student wishing to cancel or withdraw from the school and receive a refund should send their notice of cancellation or withdrawal to the school's address or by email to the School Director.

2.. If a student withdraws from the course of instruction after the period allowed for cancellation and prior to having completed 60% of his/her program, the College will remit a refund, if applicable, less the registration fee of \$200, within forty-five (45) days following the withdrawal. A \$250 cancellation fee will apply.

3. All cancellation effective dates are based upon weekly units. This means that a refund is only effective as of the first Monday of the period you are cancelling. For example: If you tell the school on a Wednesday that you want to cancel your course immediately, the cancellation will only be effective as of the next Monday. The time between notification and the effective cancellation counts towards the 60% completion (referenced in #3) of your courses.

4. All tuition refund calculations are based on the number of session clock hours he/she attended, multiplied by the hourly tuition rate as shown on the student's enrollment agreement. The amount the student has paid for tuition will be subtracted from the amount of tuition the student owes. Charges for unreturned books, materials, and equipment will be deducted from the amount of the refund. If the amount that the student has paid is more than the amount that the student owes for the time he/she attended, then a refund will be made within forty-five (45) days of the withdrawal. If the amount that the student owes is more than the amount that the student has already paid, then the student will have to make arrangements with the college to pay it. The exact amount of prorated refund will be based on the formula listed below. The following table provides the estimated amount of refund at each point of withdrawal:

Percent of Attendance	10	20	30	40	50	60
Tuition Refund	90	80	70	60	50	0

HYPOTHETICAL REFUND EXAMPLE: Students have a right to a full refund of all charges, less the \$200 application fee, if the student cancels the enrollment agreement on the first day of class or on the seventh day after signing this agreement.

\$1633.80	72	36	\$816.40	\$1.00	\$816.40
Amount Paid By Student • Tuition of \$1432.80 • Reg. Fee of \$ 200.00 • STRF of \$ 1.00 <hr/> \$1633.8 • TOTAL: 0	Total Hours Charged	50% Hours completed	Total Due to School	Total Due to-BPPE	Total Due to Student

5. In the case of private lessons, one-week prior notice is required to cancel your lessons. Here is an example: If you tell the school on a Tuesday that you want to cancel your private lessons, the cancellation will only be effective as of the following Tuesday and you will be charged for all of your scheduled private lessons from the day that you cancel (Tuesday) until the day that your cancellation becomes effective (the next Tuesday).
6. If the school cancels or discontinues a course, the school will make a full refund of all tuition you have paid for that course.
7. If you change your course after it begins, there will be a \$250 change fee. This does not include additions or extensions.

All refunds will be made within 45 days of a student's cancellation or withdrawal request. We can only pay refunds to the person or company from whom the funds originated.
